

# Calculus Jon Rogawski Solutions Manual

## Chapter 1 : Calculus Jon Rogawski Solutions Manual

This is a very good learning supplement for rogawski's multivariable calculus/early transcendentals (courses which include vector calculus and multiple integration), especially if you happen to be in a class where you need to be a good independent learner - certainly worth the price if you feel the need for more worked out solutions than given in the textbook. About jon rogawski jon rogawski received his undergraduate degree (and simultaneously a master's degree in mathematics) at yale, and a ph.d. in mathematics from princeton university, where he studied under robert langlands.
