## Chapter 1 : Exit Unicorns Cindy Brandner

Exit unicorns (exit unicorns series book 1) - kindle edition by cindy brandner. download it once and read it on your kindle device, pc, phones or tablets. use features like bookmarks, note taking and highlighting while reading exit unicorns (exit unicorns series book 1).Cindy brandner is one of my favorite authors. "bare knuckle" did not disappoint! if you are familiar with the exit unicorn series, you will fall right into step with the early lives of casey, patrick and brian riordan, filled with unconditional love and a strong family bond.I threw this question out to the outlander addiction group a while back and finally compiled the list of suggestions, along with links to the stand alone book or first book in the series on amazon.
