Education reform is the name given to the goal of changing public education. historically, reforms have taken different forms because the motivations of reformers have differed. however, since the 1980s, education reform has been focused on changing the existing system from one focused on inputs to one focused on outputs (i.e., student achievement). These disparities are growing despite the fact that over the past two decades, closing the test-score gaps between affluent and poor children has been a central aim of national education policy, as embodied in president george w. bush's no child left behind law and president barack obama's race to the top program. If you have a credit card or a registered paypal account, we strongly encourage you to pay the fee through paypal. paypal enables users, whether or not they are paypal members, to use all major credit cards, including visa, mastercard, discover, and american express. African americans (also referred to as black americans or afro-americans) are an ethnic group of americans with total or partial ancestry from any of the black racial groups of africa. the term typically refers to descendants of enslaved black people who are from the united states. as a compound adjective, the term is usually hyphenated as african-american.
